Ensuring the **F**uture **O**f

EUPATI
European Patients' Academy on Therapeutic Innovation

Closing Webinar

30 September 2020 – 16.30 to 17.30 CET

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

AGENDA

- **Welcome**

- **Introductions** – presented by Iwona Jablonska (Innovative Initiatives of Medicines – IMI) and Nicola Bedlington (EPF)

- **EFOEUPATI Highlights** – moderated by Camilla Habre (EPF)
  - Sustainability (WP2) – presented by David Haerry (EFGCP)
  - Patient Education and Engagement Portal (WP3) – presented by Kay Warner (GSK)
  - National Platforms Infrastructure (WP4) – presented by Caroline Whelan (IPPOSI)

- **EUPATI Foundation** – presented by Maria Dutarte (EPF)

- **Q&A session** – moderated by Bojan Cigan (EATG) and Camilla Habre (EPF)

- **Concluding remarks** – presented by Iwona Jablonska (IMI) and Maria Dutarte (EPF)

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

WELCOME!

EUPATI
European Patients' Academy on Therapeutic Innovation

- This webinar will be **recorded** and the recording will be made available in the EUPATI Platforms.
- If you have any questions, you can '**Raise your hand**' or **write them in the chat** – it is up to you!
- Please **mute yourself during the meeting**, we will have moments for Q&A.
- If you will **speak at some point during the meeting**, we kindly ask you to **turn on your camera** during your presentation.
- We might take some pictures during the meeting that will be shared in our social media channels and website. **Please do let us know if you do not want to appear and/or be tagged in these publications**.
- Do not hesitate **to share pictures and/or messages of this meeting on social media** (#EUPATI, #PatientsInvolved) ☺
- In case of **questions or any technical issues** – please write them in the **chat**.

Happy meeting!

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

Introductions

by Iwona Jablonska (IMI) and Nicola Bedlington (EPF)

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

INTRODUCTIONS

by Nicola Bedlington, EPF

EUPATI
European Patients' Academy on Therapeutic Innovation

- **EFOEUPATI** = IMI project that started in September 2018
- Objective: **ensure the future and sustainability** of the European Patients' Academy on Therapeutic Innovation (EUPATI)
- Outcome: **build the infrastructure for the EUPATI Foundation**
- Consortium of **12 partners** – a great **thank you** to everyone!

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

INTRODUCTIONS

by Iwona Jablonska, IMI

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

Sustainability – David Haerry (EFGCP)

PATIENT EXPERT TRAINING COURSE

ONLINE MEDICINES R&D TOOLBOX

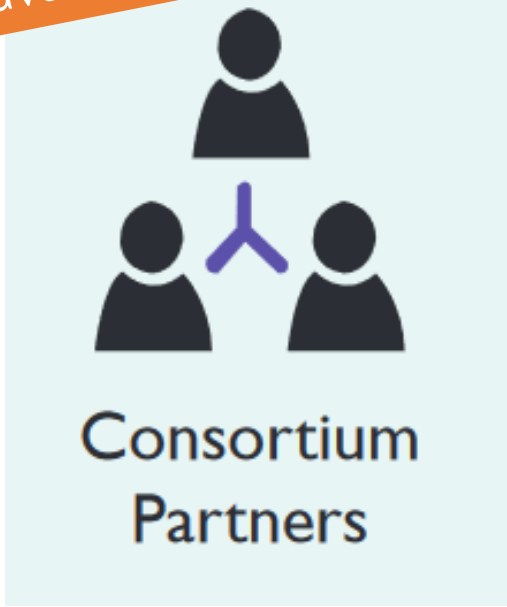
NATIONAL PLATFORMS

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

Sustainability – David Haerry (EFGCP)

Advanced & In Progress



- Mapping of potential partners, approached by some, discussions with 9 organisations at advanced stage
- New partners already joined under EIT Health grant
- Collaborations with IMI, EFPIA, EIT Health, EMA and HTA bodies mapped, enhancement action plan drafted
- Contribution levels in-cash and in-kind for 2021-2025 proposed in line with business plan & estimated budget; goal: balanced PP funding sources

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

Sustainability – David Haerry (EFGCP)

Advanced

- **Donations website** set up for donations allowing one-time & monthly donations
- **Fundraising campaign** initiated during DIA Europe conference
- **Fundraising strategy** defined for 2020-2021, including 'Friends of EUPATI' group for individual supporters of EUPATI

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

Sustainability – David Haerry (EFGCP)

In preparation

Matchmaking platform concept developed

- Supported by EUPATI Partner FindMeCure
  - Supporting patients & patient organisations to effectively identify suitable stakeholders for PE activities in medicines R&D, & vice versa
- Business model developed
- Support and mentoring for stakeholders to be included
- Platform to be launched 2021

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

Sustainability – David Haerry (EFGCP)

In progress

On-demand Patient Expert Training Course

- **Course redesign & implementation** new online learning management system supported by EIT Health grant
  - Launch planned October 2020
- **Widening EUPATI course scope** to digital health & medical devices initiated under EIT Health project with new partners & MPP 2020 conference
- **Communications plan** for promoting & marketing on-demand course

Completing entire course with face-to-face training, resulting in EUPATI fellow certificate continues to exist

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

Sustainability – David Haerry (EFGCP)

Ongoing

Projects & Grants

- IMI, EIT Health & H2020 funding schemes investigated
- 3 grant applications submitted : 2 in H2020 & 1 in EIT Health for 2021 & beyond
  - **EVAL-HRMD**: Towards new methods for Evaluating and approving High-Risk Medical Devices
  - **COMO proposal**: Prevent & revert evolution of high-risk comorbidities in adults with overweight or obesity
  - **Appl. No 210759**: Flexible on-demand Patient Expert Training Course, Activity Line: Training for Citizens & Patients
- Third party involvement in 2 proposals
- Discussions with 5 more proposals ongoing

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

Sustainability – David Haerry (EFGCP)

EUPATI Fundamentals Training piloted in November 2019

- 2 trainings conducted in 2020, 1 more planned in November 2020
- Approximately 25 participants per course, from academia & industry

EUPATI Fundamentals Training for Academia developed

- Trainings piloted in September 2020 with EU-PEARL consortium

EUPATI Essentials Training development started

- Development started in April 2020, to be finalised in 2021

EUPATI in-house Training piloted in April 2020

- 3 trainings conducted in 2020, 3 more planned in Autumn 2020
- Approximately 25 participants per course, from industry

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

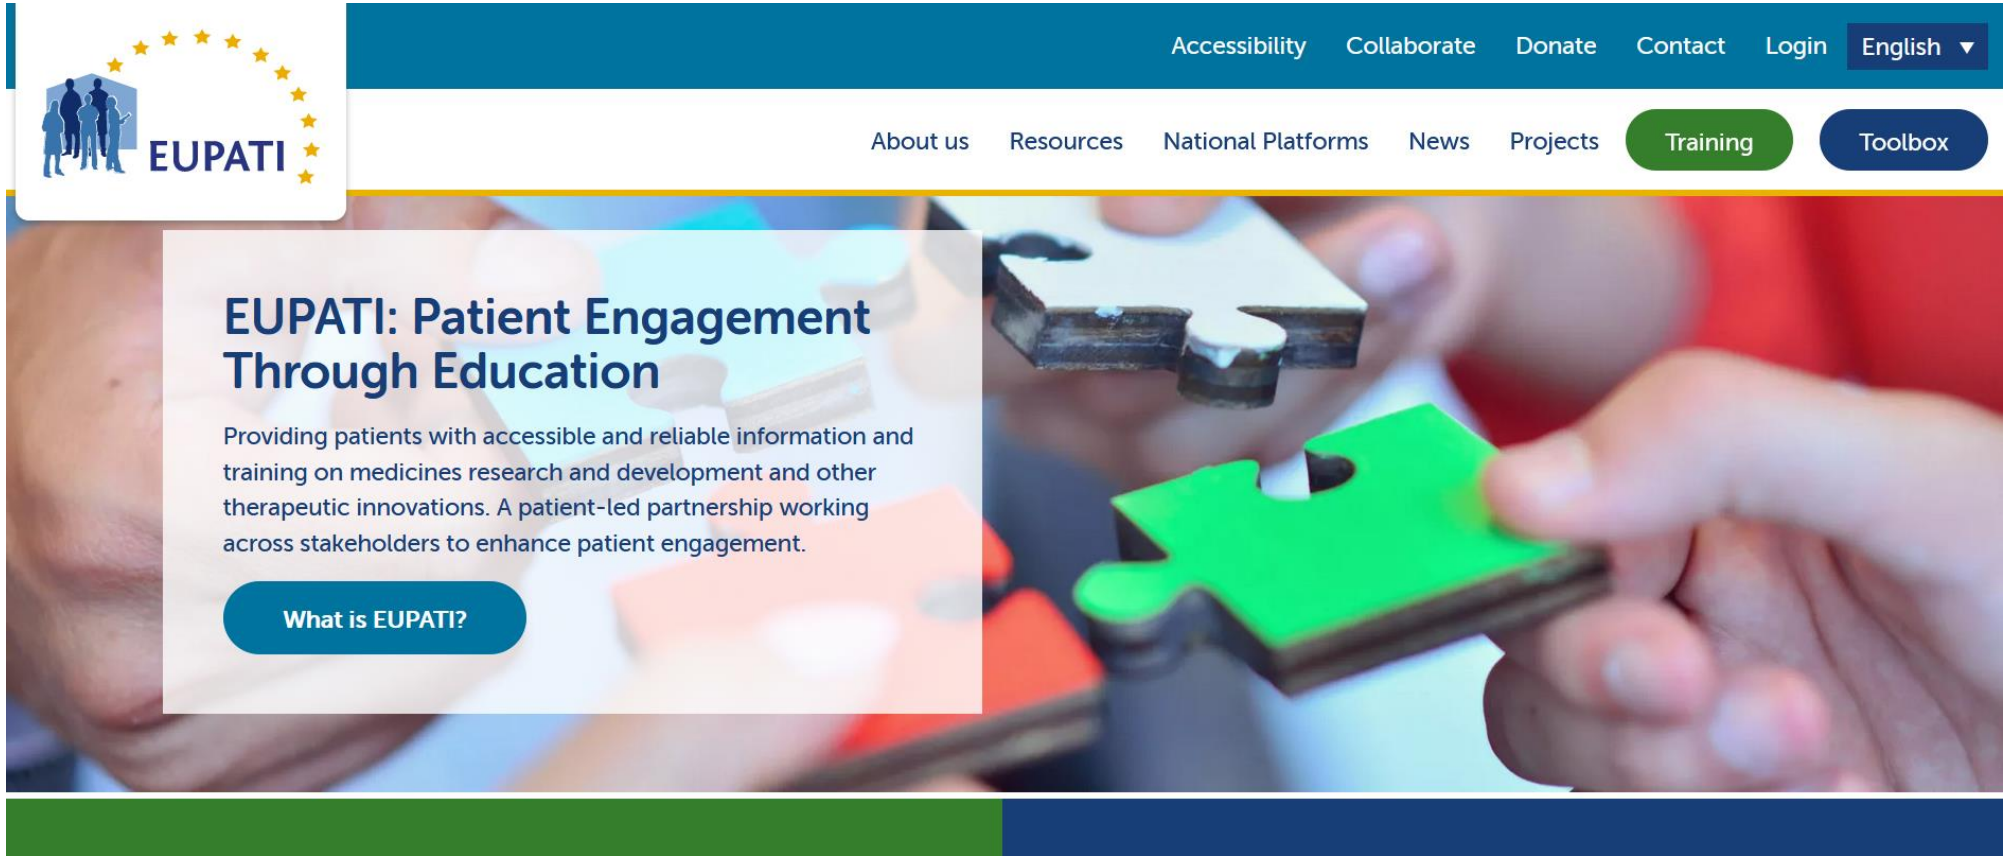
Sustainability – David Haerry (EFGCP)

- WP2 achieved goal to develop a **sustainability/business model for the mid- to long-term future** of EUPATI by identifying **new funding sources & creating the necessary implementation plans**
- WP2 contributed to the **set-up of the Foundation**
- Results highlight what makes a **good & well-functioning PPP (Public-Private Partnership)**
- With business plan implementation, EUPATI Foundation is entering **next consolidation phase:**
  - Focus on **resilience and steady** growth
  - EUPATI needs to **balance resources** with pace of its growth, in terms of its reach of activities, geographical coverage, extent of contents & materials & number of partners

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

Portals – Kay Warner (GSK)



This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

Portals – Kay Warner (GSK)

- Hosts relevant **educational information for wider patient community and other stakeholders** plus improved interface for EUPATI alumni, ENPs, Sustaining Partners, etc.
- **Standardised**, **quality assured reusable resources** as well as tools, guidance and standards.
- **GDPR compliant** including conducting ethical review and data management plan.

LAUNCHED IN JULY 2020!

EFOEUPATI HIGHLIGHTS

Portals – Kay Warner (GSK)

EUPATI
European Patients' Academy on Therapeutic Innovation

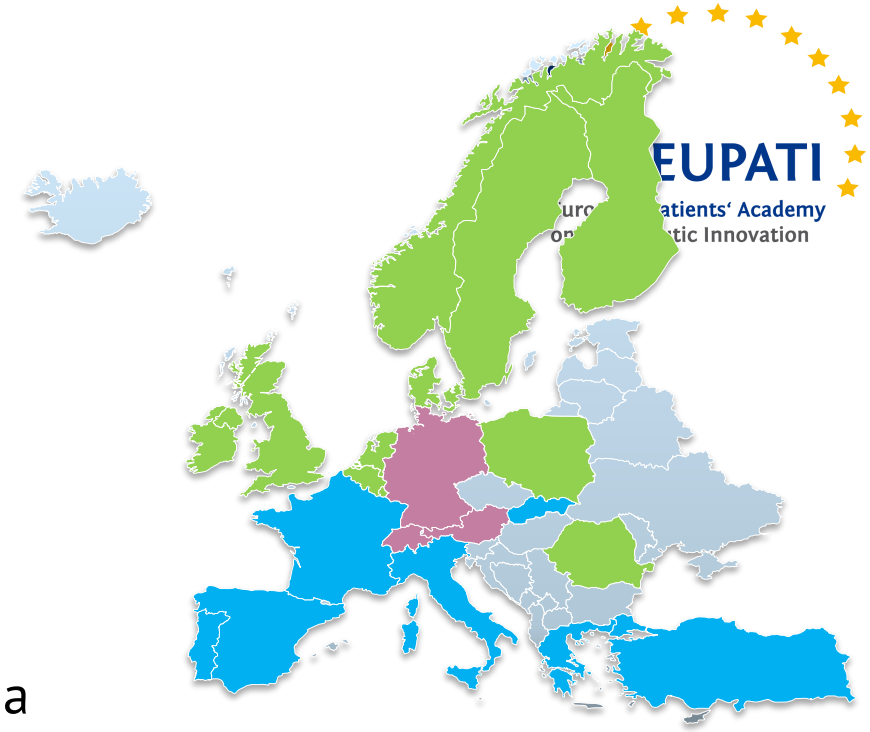
Fundamental for the EUPATI Foundation!

- ✓ Ability to host online learning, mixture of content types
- ✓ Increased capacity e.g., host more languages, content from future projects
- ✓ Dedicated maintenance through Blooberry, including backup and restore
- ✓ New 'collaborate' portal to support future initiatives
- ✓ New area for accessing key documents available soon

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union's Horizon 2020 research and innovation programme and EFPIA.

EFOEUPATI HIGHLIGHTS

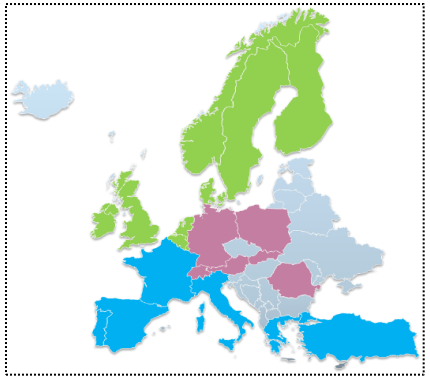
National Platforms – Caroline Whelan (IPPOSI)



Aimed to strengthen the coordination of the ENP network, through promotion of collaboration, knowledge exchange & sharing

OBJECTIVES

1 Establishing and maintaining three regional groups of ENPs as a mechanism for further ENP integration and development



2 Knowledge sharing and exchange between and within ENP regions

- Preparation of Regional Workplans shared across regions
- Regional & Cross-Regional meetings (5 f2f & 42 TCs)
- 11 Newsletters including year-end ‘highlights’ issue

This project has received funding from the Innovative Medicines Initiative 2 Joint Undertaking (JU) under grant agreement No 806995. The JU receives support from the European Union’s Horizon 2020 research and innovation programme and EFPIA.

Backup Slide - EFO-EUPATI Tasks

Task 4.1 - Boost existing ENP International Network Coordination

WP2/WP4 workshop

Task 4.2 - Support Regionalisation of the ENP Network

IPPOSI Call for Expressions of Interest for funding per region

- **Region 1** Event "Southern Europe: On the Road to Connecting Patients, Agencies, Industry & Academics"
- **Region 2** Series of webinars on COVID-19 topics (2 hours of content)
- **Region 3** 'Common ENP Message' – slides; flyers; video; infographic

Task 4.3 - Support the Implementation of Patient Education Initiatives

- Status Report across all ENPs
- Repository & Infographic
- Fellow/Graduate engagement with ENPs Survey & Infographic
