BENEFITS OF PARTNERSHIP

Joining EUPATI offers tangible benefits to our partners. Partnering with EUPATI enables you to...

COLLABORATE

Network and dialogue with 50+ Sustaining Partners
(patients/PO's, academics, industry across all disease areas & countries).

Access discussions & debates on medicines R&D issues in Europe with patient leaders, scientists & industry representatives.

Join consortia of future EUPATI driven project proposals.

Regular updates on developments in patient engagement and training opportunities.

Matchmaking between EUPATI Fellows and researchers.

Access to EUPATI for one-on-one or multilateral briefings

CO-CREATE

Co-create under a public-private partnership.

Co-design future patient engagement content for all stakeholders.

Co-create meaningful resources with other PO's, academia, regulators and industry/other stakeholders

Ensure education is reflective of all stakeholders' perspectives.

Co-define the direction and strategy of educational content of EUPATI.

CONTRIBUTE

Join a transformational process for patients to make a global impact in patient engagement.

Shape the future of EUPATI - Full access to influence the vision mission of EUPATI and create the future of patient engagement education.

Become:

- *a member of the Sustaining Partners Assembly (SPA) of 50+ partners.*
- *eligible to elect the EUPATI Board.*
- *eligible to stand for election to the EUPATI Board.*
- *Attend the EUPATI Sustaining Partners Assembly AGM.*

OTHER WAYS OF GETTING INVOLVED

Aside from partnership, there are other ways you can get involved with EUPATI

COLLABORATORS

To ensure high quality training and meaningful patient engagement, EUPATI maintains several important partnerships with external actors in the patient engagement field e.g. PFMD, Patvocates, WPP Health Practice.

Collaborators are not formal EUPATI partners and do not form part of the EUPATI Sustaining Partners Assembly.

WHAT PEOPLE ARE SAYING

Testimonials from our Fellows and Partners

EUPATI opened up my world beyond my own disease. I understand how the medicines R&D process works from end to end. EUPATI is a huge benefit - **Joan Jordan EUPATI Fellow**

I am truly grateful for the opportunity to work with EUPATI. I have learnt so much about patient involvement and the experience has been immense - **Kay Warner, GSK Founding Member and Industry Partner.**

ISPOR has been a partner of EUPATI since 2012. EUPATI has provided us with the opportunity to connect with its 'patient experts' who have presented at ISPOR conferences, roundtables and partnered with researchers to improve healthcare decision making globally - **Nadia Naaman, ISPOR.**
